SUBJECT: Unclassified References

USSR

Tyuratam, Kapustin Yar, Plesetsk

References to these sites appear in:

Review of the Soviet Space Program,  
Report of the Committee on Science and Astronautics,  
U.S. House of Representatives,  
Ninetieth Congress,  
U.S. Government Printing Office,  
Washington 1967

Simferopol, Crimea

There are no known unclassified sources descriptive of space activities at Simferopol. There have been disclosures regarding the Soviet Space Flight Center at Yevpatoria, Crimea, but this is about 70 miles from Simferopol.

Ship in Leningrad

There are no known unclassified sources specifically describing the ship "Yuri Gagarin", which Mr. Duckett alluded to in his briefing.
